RECOMMENDATIONs

❖ **JEEL VEKARIYA - Connect On Linkedin**   **Cyber Security Instructor & Analyst**
  ➢ I highly recommend Krish Satasiya, a skilled and passionate professional with expertise in web development, graphics & UI/UX design, and full-stack development (MERN). Krish has demonstrated exceptional leadership, creativity, and proactive approach during our collaboration at IEEE SOU SB and ExploitXplorers Community.

❖ **Prashant Chettiyar - Connect On Linkedin**   **Cyber Security Instructor & Analyst**
  ➢ I highly recommend Krish Satasiya, who has significantly contributed as a Community Coordinator at ExploitXplorers. Krish showcased exceptional web design skills while developing and maintaining our official website. His creativity and expertise in tools like Adobe Premiere Pro, Photoshop, and Illustrator have been instrumental in enhancing our community's digital presence. With his technical prowess, creative vision, and meticulous attention to detail, Krish is a valuable team asset, excelling in both collaboration and innovation.
